

BELZONA POLYMERIC PRODUCTS AND SYSTEMS

Belzona's proven range of innovative products include service and support by our factory trained Technical Consultants.

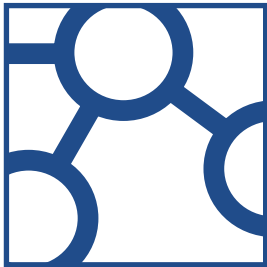

- BELZONA METALLIC POLYMERS** for the Repair and Protection of Machinery and Equipment
- Belzona® 1111 Machinable, rebuilding grade product
 - Belzona® 1121 Machinable, extended life rebuilding grade product
 - Belzona® 1131 Machinable, self-lubricating rebuilding grade product
 - Belzona® 1211/1221 Machinable, rapid curing, emergency repair products
 - Belzona® 1251/5851 Single component, heat-activated products - rebuilding & coating grades
 - Belzona® 1311 Erosion/corrosion resistant rebuilding grade product
 - Belzona® 1321 Erosion/corrosion resistant coating
 - Belzona® 1341 Efficiency enhancement coating
 - Belzona® 1391 High temperature erosion/corrosion resistant coating
 - Belzona® 1522 High temperature protection from erosion/corrosion - spray-applied
 - Belzona® 1591 Ultra high temperature erosion/corrosion resistant coating
 - Belzona® 1811/1812 Abrasion resistant lining materials

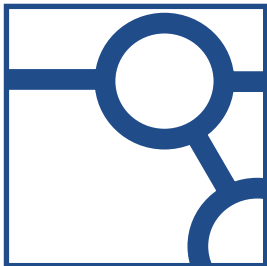

BELZONA ELASTOMERIC POLYMERS for Abrasion Resistant Linings and the Repair and Protection of Flexible Components

- Belzona® 2111 Abrasion resistant rebuilding grade product
- Belzona® 2121 Abrasion resistant coating grade product
- Belzona® 2131 Abrasion resistant casting/coating grade product
- Belzona® 2211 Multi-purpose rebuilding grade product
- Belzona® 2221 Multi-purpose casting grade product
- Belzona® 2311 Rapid curing, emergency repair product

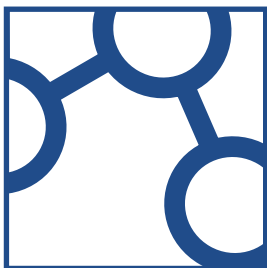

BELZONA POLYMERIC MEMBRANES, Waterproofing Systems for the Repair and Protection of Buildings and Structures

- Belzona® 3111 Flexible waterproofing system
- Belzona® 3121 Emergency waterproofing system
- Belzona® 3211 Fire retardant, insulation protection system

BELZONA MAGMA POLYMERS for the Repair and Protection of Concrete Subject to Abrasion, Impact and Chemical Attack

- Belzona® 4111 Concrete repair and grouting system
- Belzona® 4131 Concrete resurfacing system
- Belzona® 4141 Lightweight vertical and overhead concrete repair system
- Belzona® 4151 Concrete coating protection system
- Belzona® 4181 Heat or inorganic acid resistant concrete repair and grouting system
- Belzona® 4211 Emergency leak sealing product
- Belzona® 4221 Coating for negative pressure water proofing
- Belzona® 4311 Chemical resistant coating system
- Belzona® 4341 High temperature inorganic acid resistant coating system
- Belzona® 4411 Non-slip safety system
- Belzona® 4521 Expansion joint sealant

BELZONA ENVIRONMENTAL POLYMERS

- Belzona® 5111 Chemical and abrasion resistant coating
- Belzona® 5131/5151 Long-term water/weather-proof coating
- Belzona® 5231 For the protection and sealing of concrete floors
- Belzona® 5811 Aqueous immersion coating
- Belzona® 5891 High temperature, aqueous immersion coating
- Belzona® 6111 Steel protection system
- Belzona® 8111 Repairing, casting and bonding material
